Much of the information in the Guide to Farming in NY is applicable no matter where you live. But if you are seeking specific tax, legal, and regulatory information and you live outside of NY, check with your state Department of Agriculture, or download the following publications to find information for these states:

Guide to Farming in NY - Cornell Small Farms

The Guide is designed as a resource for legal services providers, bar associations and volunteer lawyer programs looking for ways to serve clients in rural areas and strengthen the support system for pro bono advocates who help rural clients.

Rural Pro Bono Project

Urban Agriculture. The growing awareness of community and public health issues, the benefits of green space, the economic development potential of small-scale specialty farming enterprises, and fears about food security have combined to provide a groundswell of support for small-scale, sustainable urban agriculture efforts in many cities and counties across the country.

Urban Agriculture - American Planning Association

Global Perspectives in Urban Law: The Legal Power of Cities (Routledge) was inspired by scholarship presented at the Urban Law Center's second and third annual International and Comparative Law Conferences, held in Paris in 2015 and Hong Kong in 2016. The book's 11 chapters feature rich contributions from internationally renowned urban law scholars, which "add an interdisciplinary and global perspective" to the study of cities, according to Tewari.

New Urban Law Book Examines the Legal Power of Cities

A Business Owner's Legal Guide to Cooperative Conversion Including Conversion Models, Case Studies and Sample Documents Created by: Janelle Orsi | William Lisa Sushil Jacob DISCLAIMER: The research that provided the basis for this publication was supported by funding under an award to the Metropolitan Transportation Commission (MTC) from the U.S.
