Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes.

### **Universal Remote Control Codes**

A universal remote is not always an entire replacement for the original. Some only control basic functions, while others may provide access to advanced picture, sound, network, and Smart TV or home control feature settings. However, the use of the original remote may still be required for some or all advanced features, so store it, and some batteries, where you can easily find them.
