Awakened by Autism : Embracing Autism, Self, and Hope for ...

It is for these very reasons that autism has emerged as an epidemic and a calling for humanity to wake up. We cannot continue to deplete our planet and our souls and still expect our children to thrive. Awakened by Autism is both a memoir and a practical guide for healing our children-and a starting point for healing our planet. See less

Embracing Autism Awareness this April - PBS Articles

Welcome to Unapologetically Embracing Autism where we invite you on our journey with Autism and all the beautiful and challenging things we are experiencing. Some may look at Autism as a disability, but I like to look at it as a different ability. A different ability that we embrace with lots of love, acceptance and understanding.
