Ih Weights For Sale - Farm Tractor Parts & Equipment

In 1924, International Harvester introduced a new row-crop tractor named the "Farmall". Its pioneering tricycle configuration would dominate US farms for the next 30 years. IHC used the Farmall brand for all their tractors with a row-crop front axle until the 1970s. At that point, the name was phased out before finally disappearing completely ...

TractorData.com - Farmall farm tractors sorted by model

Farmall was a model name and later a brand name for tractors manufactured by the American company International Harvester (IH). The Farmall name was usually presented as McCormick-Deering Farmall and later McCormick Farmall in the evolving brand architecture of IH.. Farmalls were general-purpose tractors. Their origins were as row-crop tractors, a category that they helped establish and in ...

Farmall F-12. In 1932, IH produced only 25 Farmall F-12 models. After the very first sample production, these numbers were raised up to a total of 123,407 pieces. The production ended in 1938 when the more powerful F-14 was introduced. Like all Farmall tractors, this small tractor could turn on a dime.
