2018 Q4 Market Review | Domani Wealth

The average sales price of Q4 2018 was just over \$2 million, up 10% from Q4 2017, when the average sales price was \$1.82 million. However, the median sales price was nearly identical between the fourth quarters of 2017 and 2018, suggesting that while the high end prices are getting higher, the remainder of the market values remained steady.
