Q A Human Rights And

Human rights are moral entitlements that every individual in the world possesses simply in virtue of the fact that he or she is a human being. In claiming our human rights, we are making a moral claim, normally on our own government, that you cannot do that, because it is a violation of my moral sphere and my personal dignity.

Questions and answers about Human Rights - Council of Europe

Human rights are moral principles or norms that describe certain standards of human behaviour and are regularly protected as natural and legal rights in municipal and international law. They are commonly understood as inalienable, fundamental rights "to which a person is inherently entitled simply because she or he is a human being" and which are "inherent in all human beings", regardless of ...

Human rights - Wikipedia

All human beings are born free and equal in dignity and rights. They are endowed with reason and conscience and should act towards one another in a spirit of brotherhood. Article 2.

Universal Declaration of Human Rights | United Nations

An architect is also often the project leader of a team of people who work across disciplines. So, when we have a human rights project, it is often about describing a thorny, hard-to-understand issue and bringing together a group of people with disparate skills to find a way to present it accurately and clearly. Who is on your team?
