Security Essentials Bootcamp Style

SEC401: Security Essentials Bootcamp Style. It's my first time enrolling on a SANS course. I decided to take the SEC401 Security Essentials bootcamp in Las Vegas this year as I thought it would give me an all round entry level knowledge into the world of security. I had the option to sign up for the optional GIAC Security Essentials (GSEC) certification which I did for a reduced rate if selected along with the course.

SANS - SEC401 Security Essentials Day - minus one - NAT ...

At the beginning of the year, I attended SANS SEC401 (Security Essentials Bootcamp Style), and I have to say, I was impressed. I expected the course to be technically dense, with deep dives into packet header inspections and cryptographic algorithms.

What I Learned in Security Essentials Bootcamp - Kraft Kennedy
