She Who Dreams The Healing

Wanda Burch dreamt that she would die at a certain age; her dreams foretold her diagnosis of cancer, and then guided her toward treatment and wellness. She took advantage of all the healing resources available to her, but Wanda believes she is alive because of her intimate engagement with the dreamworld.

She Who Dreams: A Journey into Healing through Dreamwork ...

Wanda Burch is a long-term survivor (13 years) of cancer who has always had a vibrant dream life. She works with Robert Moss, author of Conscious Dreaming. She also gives seminars and workshops on dreams and works closely with support groups, churches, and cancer organizations to teach women about healing practices.

She Who Dreams: A Journey into Healing through Dreamwork ...

An incredibly inspiring memoir of a life lived through dreaming. Wanda Easter Burch transformed her dreams into meditations and actions as part of her healing cocktail (which also included surgery and chemotherapy) to cure herself of breast cancer. But it is much more than just a manifesto on the healing power of dreams.

Healing dreams, he has discovered, come to pull us back from the abyss of isolationism into a more conscious relationship with that unifying life force. There's more to a saint, in other words, than what can be found in his pockets. Read more. 24 people found this helpful. Helpful.

Healing Dreams: Exploring the Dreams that can Transform ...

Dreams are healing symbols of the unconscious. They make emotionally charged material accessible to consciousness quickly and safely, give focus to inner work and the therapeutic process, and provide clues about the origins of symptoms and core life issues. Dreams activate our capacity for intrapsychic and behavioral change.

Dreams and Self Healing | Healing with Dreams

For those who haven't, a lucid dream is defined as a dream state in which the dreamer is aware that he or she is dreaming (but without waking up) and has the ability to at least partially ...
