The Simple Art of SoC Design Closing the Gap between RTL ...

Since 2008, The Art of Simple has been a go-to bright spot for millions of readers who care about the journey of simplifying life: how to live well and ignore the rest. This isn't a space for dogmatic preaching about the "rules" of simple living — it's the lens through which we filter what we care about.

About | The Art of Simple

That Art has roles in society. One role of Art is that Art expresses the emotions and struggles of the society it exists within, and inspires society to cope and even overcome. But increasingly in some corners of global society we see that society feels that Art has become distant from every day life, that people begin to feel that Art no ...

The Royal Society for the Encouragement of Arts, Manufactures and Commerce (RSA) is a London-based, British organisation committed to finding practical solutions to social challenges. Founded in 1754 by William Shipley as the Society for the Encouragement of Arts, Manufactures and Commerce, it was granted a Royal Charter in 1847, and the right to use the term "Royal" in its name by King Edward ...

Royal Society of Arts - Wikipedia

The hallmarks are warm, tactile surfaces, simple colors drawn from nature, and natural materials designed to last (reducing the need keep buying more). And the tiny house movement is an even more radical take on minimalism — celebrating homes that range in size from 65 to 400 square feet.

Minimalism: The Art of Keeping It Simple | Adobe Blog

We create art because we need to react; react in anger, react in fear, react in love, adoration, peace, joy, healing, puzzlement, and complexity. Thus

the core of art is social change. Social change is as simple as effecting one small aspect of our human society.
