Can't stop thinking about the gender!: Now that we're approaching the 6 months mark (we're 26 weeks tomorrow), I'm starting to think a lot about Bub's sex. We're not finding out gender & we're looking forward to the surprise. But everyone around me keeps giving their thoughts on why it's one or the other & I've always ignored it until now. At ...

Can't stop thinking about the gender! - May 2017 ...

Hi All, This is my first pregnancy and we are due to have our 17 week private scan to find out the gender on Saturday. We are very happy either way, but extremely excited to find out. We managed to get a pretty clear picture at the NHS scan, where I was dated ahead at 13.5 weeks.

Can't stop thinking about the gender! - BabyCenter

2. Preferred gender for a baby. Every woman and man has a slight preference when it comes to baby's gender. Most people forget their preference when a baby is born but one does harbor a wish to have a daughter or son. Such a desire can be fulfilled with the help of gender selection or choosing your baby's gender.

9 Pros and Cons of Choosing Your Babys Gender - HRF

Whenever a couple is expecting a baby, everyone knows that a great deal of excitement goes along with it. There can be little doubt that one of the most exciting things about having a baby is finding out if it is a boy or a girl. Learning the gender of the baby is a big part of the fun of being an expecting parent.
