Wing Chun Warrior The True

Reading Ken Ing's Wing Chun Warrior, which chronicles Leung's Kung Fu escapades, will be a jarring revelation to anyone familiar with the manic but orderly and largely peaceful city of seven million people that is Hong Kong today. The city described by Ing is a place where Kung Fu practitioners wielded eight-chop knives in the streets and literally battled their way from one martial arts studio to another to prove their fighting prowess.

Ng Mui, whose name means five plums, is the true founder of Wing Chun, although that credit is often attributed to her successor Yim Wing Chun, for whom the style is named. She was one of five elders in the Shaolin Temple and one of the most advanced in skill. While she lived at the temple she created a martial arts style called Plum Flower Fist.

And also of course, to have fun and to enjoy the journey in developing our own Wing Chun. I have trained with many top class martial arts instructors, and Master Sinclair is right up there at the top of the list, truly a world class Wing Chun Coach who can talk the talk and walk the walk. I highly recommend his Wing Chun Zoom sessions.
